

wann fly

a young man finds within
an old man trying not to give in

a young girl can't believe
this old girl in her is giving her grieve

an old man in the mirror
sees a young man's faded dreams, won't shimmer
they ask why, oh why

do you wanna wait until it's too late
do you wanna wake up in your grave
do you wait for possibilities to fade
or do you, do you want your life to fly

every heart has a dream
every heart wants to live that dream

every dream can come true
if you believe, it's gonna come true for you

I myself, I have a dream
I myself see to live that dream

you yourself, what's your dream
you yourself, are you living your dream
